15th SUNDAY IN ORDINARY TIME, YEAR A - 16 JULY 2023

Listen

THE WORD OF God is proclaimed throughout the whole of creation. All of the readings in the liturgy this Sunday are filled with images drawn from nature.

The word is like rain refreshing the earth, bringing goodness and growth wherever it falls. **(First Reading)** The **Psalm** is a prayerful song of thanks after a time of drought. It reminds us of the bountiful love that pours out from the Lord, filling us with joy and good things. Paul **(Second Reading)** writes of a deep longing within us - and within the whole of creation - for the fulfilment of God's promise. The word of God will give us the freedom we long for.

Jesus shares the parable of the sower casting seeds upon the land to teach us to cherish the word of God. The parable reminds us of the many things that can distract and prevent us from fulfilling all that we are called to be.

When we learn to truly listen, the word of God is an abundant source of growth. It provides rich fruit for the benefit of all. In this coming week, we might want to look around us and notice the different ways in which creation speaks to us of the love of God.

ADVANCE NOTICE

Confirmation Mass for Our Lady of Hope Parish will be celebrated on **SUNDAY, 23 July at 10.30am** Mass at Our Lady of Fatima Church.

32 candidates from our parish plus their families will be attending. Seating will be at a premium, as we try to seat all these people in the main church.

We therefore ask that people please consider attending either 5.30pm Vigil Mass or 8.30am Mass on that weekend. *Thanks*

EVER ANCIENT, EVER NEW

For the creature was made subject to vanity, not willingly, but by reason of him that made it subject, in hope. - Romans 8:20 [Second Reading]

THE VISIBLE AND tangible creation knows nothing of the promises which have been made to us because it has no understanding of them. For if it should ever happen that the creation acquired some understanding of these things, it would hardly endure such base servitude, nor would it want to be subject to or be on friendly terms with those whose lives bear no good fruit.

Nevertheless, Paul says that the creation is subject in hope, for one day the saints and the elect will be saved, and then the yoke which has been imposed on it by God will be removed. ... In the meantime, the creation groans and in some sense labours and grieves, and if it had any awareness of our works, probably it would burst out crying. - **St Cyril of Alexandria, Commentary on Romans**

Matariki

Ngā Whetū o te Tau Hou
The Stars of the New Year

MATARIKI - an explanation

At this time of year, the cluster Matariki, also known as Pleiades, The Seven Sisters or M45 reappears above the horizon, after having dipped below the horizon for some weeks. When this cluster, Matariki, reappeared in the very early morning sky, it signified the beginning of the New Year and people knew it was time to prepare the soil and plant crops.

Other meanings were also signified in the setting and rising of this star cluster. As the star cluster set, it was a time to remember those who had died during the past year.

As the star cluster rose, it was time to consider the rising of the dead who were now joining the stars of the night sky. It was a time to plan for the future, a time to look forward in hopefulness, a time to be with whanau and friends.

BLESSING FOR MATARIKI

The new light of Matariki has risen!

May it be to you a sign of resurrection and new life.

May it be to you a sign of hope in times of darkness.

May it be to you a sign of the wondrous mystery of Atua who loves you.

May it be to you a sign that the eyes of the Eternal One are ever upon you and that the presence of the Holy One is ever with you. And may this be the cause of your rejoicing.

Amen

MAGAZINE DISTRIBUTORS

Over the last year, for a number of reasons, parishioners living out of the Tawa/Titahi Bay area have increased. I hope you have all enjoyed reading our parish magazine, "Stories of Hope". There are several dedicated parishioners who deliver the magazines locally, but those further afield

have to be posted, and postage rates are again increasing.

We really need parishioners who live out of Tawa to volunteer as deliverers. This is only for 20-30 magazines 3 times a year. **Deliverers are especially needed for Johnsonville, Newlands, Churton Park and Porirua - all areas** (except Aotea).

If you can help, please phone/message Maureen O'Keeffe: 027 624 4556 or email the parish office: ourladyofhope@xtra.co.nz
